8. Coaching and Refereeing Courses

We are happy to report on the upgrading of our refereeing courses last year to SAFA (South African Football Association) standards. We ran SAFA accredited level 1-3 referee's courses last year. This qualified referees to do school matches and club matches up to senior level. The courses costed R200 which included the R50 component to qualify for the SAFA certificate. Level 1 and 2 had to be successfully completed before level 3 is attempted. On completing the level 3, the Association presents a referee's badge with our Association's logo on it. Before successful completion of level 3 candidates would have to have refereed 5 school matches which would have to be attested for by his school.

The following dates were suggested for referee's courses this year:

- i. Sunday 21 May – level 1 and 2 – Venue: Westville Boys' High School – pass mark 60%
- ii. Sunday 18 June – level 1 and 2 – Venue: Westville Boys' High School – pass mark 60%
- iii. Sunday 2 July – Level 3 – Venue: Westville Boys' High School – pass mark 70%

The level 1 and 2 courses would be open to participation by Primary School coaches. A minimum of 10 participants per course would be required to make the course viable. Our association would present a badge to successful level 3 participants. Mr Tommy Phipps was thanked for his hard work running our Referees portfolio.

Coaching Course: Clive Barker would run his usual course at DHS: proposed date: 10-12 July
We are still awaiting details of SAFA accredited coaching courses.

9. Trials and Selection of Representative Teams

Will run similar to 2016.

Dates will be sent out regarding this.

KZN Trials – Sunday 20 August

Need to use Selection Criteria as a guideline (use the same one as the boys)

Selectors must stay on the same ground and have the same age group playing on it.

10. KZN Tour 2017

29 September – 2 October 2017 in Gauteng

Teams from Cape Town will be in attendance too.

11. General

- **1st Team matches to have a Neutral Referee, if schools budgets allow.**
- **KZN Coaches to stay with the same age group as previous year.**
- **Age Groups for schools: Players to play in one age group. They may play A&B but preferably your strong players should not be playing for the 'B' Team. Schools are to notify each other if problems do occur.**

- **We have a Sponsor now: Build It. It is agreed a R200 000 where we will receive R50 000 a term. Started in term 4 2016.**
- **It was suggested and agreed to separate PMB/Midlands for them to select a KZN Team. So we will have a KZN Coastal and KZN Inland team. Kurt Nero and Charmaine Koekemoer to co-ordinate. The KZN Inland Team will use the same kit as the KZN Coastal.**
- **Charmaine Koekemoer thanked Patrick Windsor for all his work.**

Meeting closed at 16:30

13. Closure

Yours in Football

**MR PATRICK WINDSOR
Chairman**
